BIS:Paper-to-ERP

For the automation of your processes with SEEBURGER

Do you receive a lot of orders and invoices from your customers and suppliers?

The solution from SEEBURGER

The automated integration of orders and invoices!

What does this mean for you?

- considerable **cost reduction potential** in sales and in accountancy
- **motivated employees** due to further qualification in related company areas
- **increase** in customer services due to lower error quota
- **acceleration** of processes
- **reduction** of manual expenditure

»The time span between fax entry and the further handlings within the order chain has shrunk to a fraction of the previous customary manual recording.

We're expecting a Return on Investment of 12 months.«

Ulrich Kottwitz, IT-leader Conmetall
